WHAT IS THE CHARACTER FEELING?

Look at the pictures in your book. Draw the characters face. How do you think the character is feeling in each picture? Then explain how you know.

Try to draw the character's face.

Try to draw the character's face.

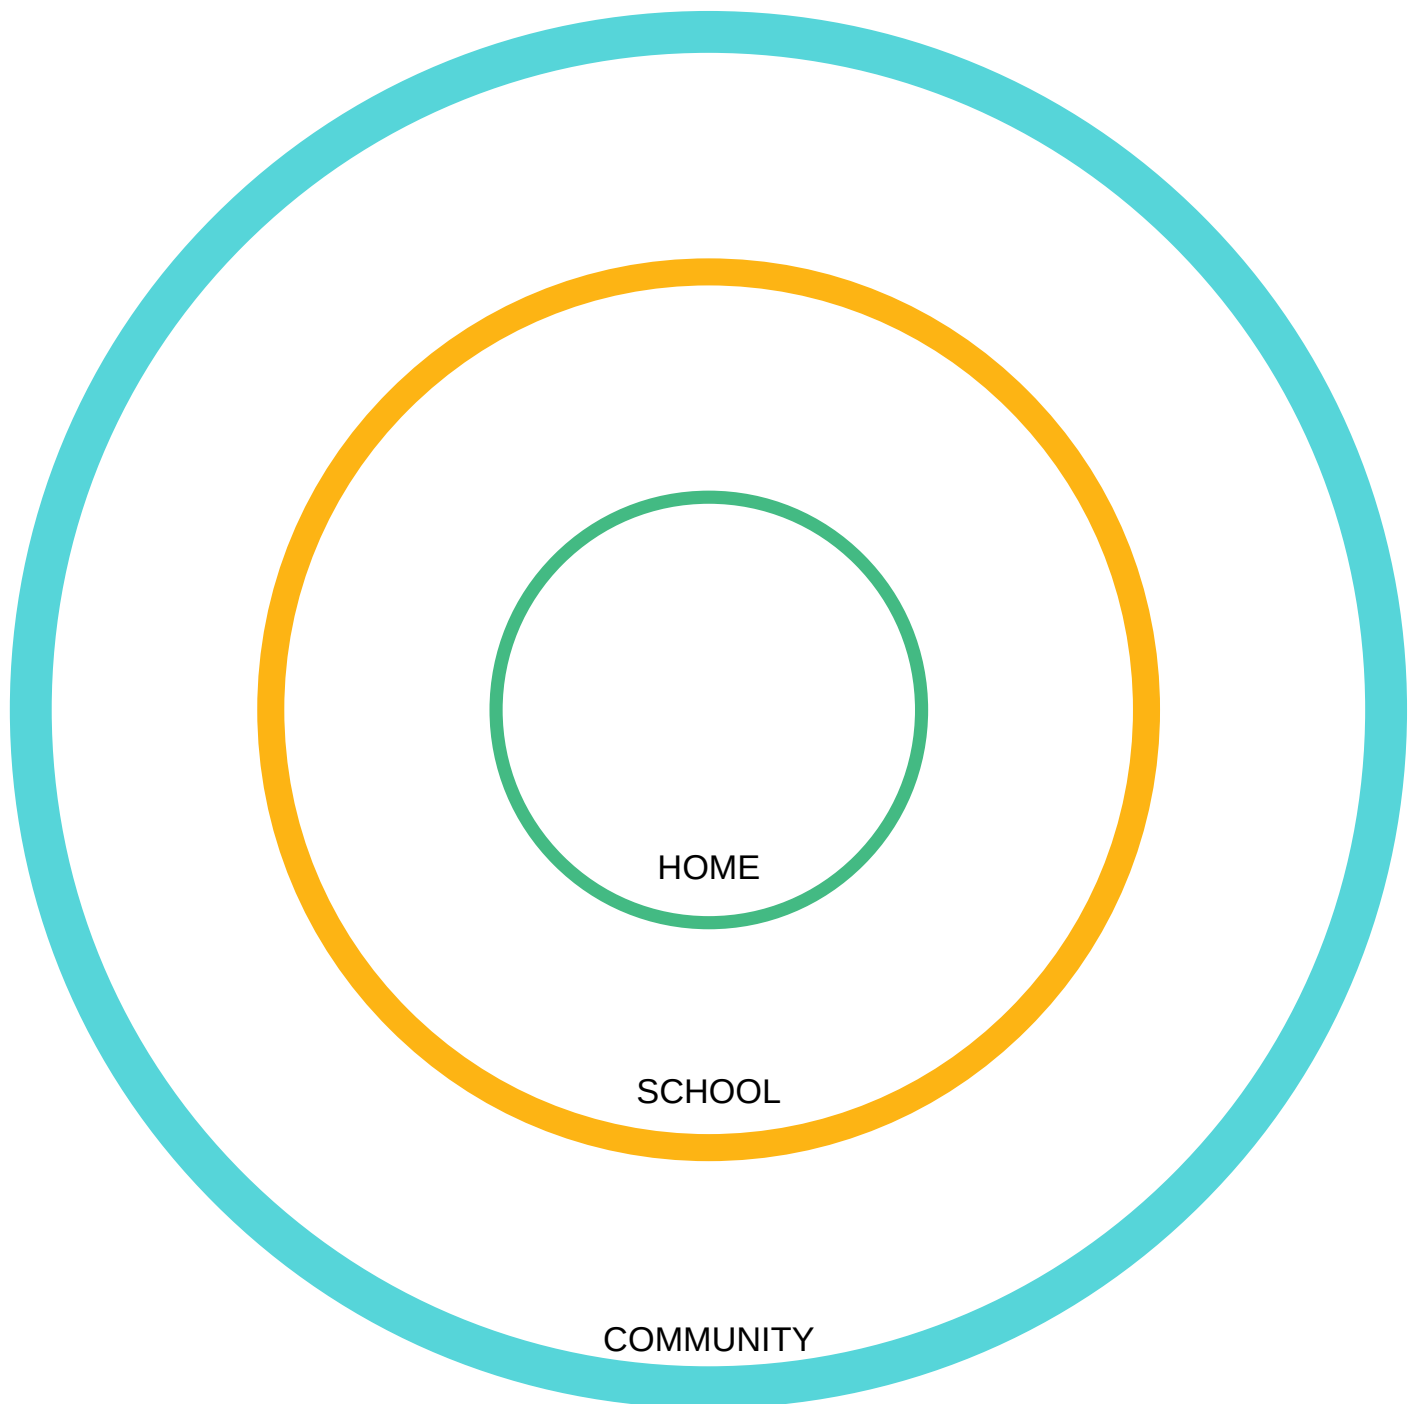

Try to draw the character's face.

THINK, WRITE, AND REFLECT.

Think about your community, your school, and your home. What are things that could bring joy, love, kindness, or peace to these special places? Fill in the circle map below with ideas.

PICTURE – LETTER ASSOCIATION GAME

On the next page are different cards with a letter on one side and a picture on the other. For each letter, the matching picture starts with that letter. For example, the letter A might have a picture of an Apple on the other side. Create your own words using the pictures to replace the letters and have your student guess the word that is formed.

EXAMPLE:

EXAMPLE: WORK WITH YOUR STUDENT TO SPELL OUT YOUR NAMES USING THE PICTURE CARDS.

To create your own cards like the ones below, cut out 26 squares and write a letter on one side and a picture that starts with that letter on the other. If you would like to use the cards below, print them out and fold over at the seam so that the picture is on one side and the letter on the other.

PICTURE - LETTER CARD EXAMPLES

	A		B		C
	D		E		F
	G		H		I
	J		K		L
	M		N		O

PICTURE - LETTER CARD EXAMPLES

	P		Q		R
	S		T		U
	V		W		X
	Y		Z		

MATCHING GAME - LETTERS TO PICTURES

Play a matching game with the cards you have! Create a second set of cards with just letters on one side. Line up pictures on one side of you and letters on another side. Match the pictures with the letter that they start with.

EXAMPLE:

MEMORY GAME - LETTERS TO PICTURES

Play a Memory game with the cards you have! Create a set of cards with just pictures and a set of cards with just letters. Create a 4x4 grid with 8 letter cards and 8 picture cards randomly placed face down. Take turns picking up two cards and revealing what they are. If the picture matches the letter that it matches, then you can leave them face up. If they do not, then place them face down again and the next person takes their turn. Create a larger grid for more of a challenge.

EXAMPLE:

		A	S
W	T		
	D	C	
G			P

CHANGE THE PUNCTUATION, CHANGE THE TONE!

When we use different punctuation, the way we say something changes. Exclamation marks mean we should sound more excited or say something louder! Question marks mean our voices should go up at the end? Periods sound normal. Replace the punctuation at the end of each phrase and practice saying the phrase correctly. Come up with your own phrases as well! Be silly and have fun!

EXAMPLE:

This is a dog.	This is a dog?	This is a dog!
----------------	----------------	----------------

YOUR TURN:

I see the moon.	I see the moon?	I see the moon!
-----------------	-----------------	-----------------

The hat is green.	The hat is green?	The hat is green!
-------------------	-------------------	-------------------

I eat cheese pizza.	I eat cheese pizza?	I eat cheese pizza!
---------------------	---------------------	---------------------

You lose.	You lose?	You lose!
-----------	-----------	-----------

A big smile.	A big smile?	A big smile!
--------------	--------------	--------------

We love books.	We love books?	We love books!
----------------	----------------	----------------

School is fun.	School is fun?	School is fun!
----------------	----------------	----------------

FIND THE MISSING LETTERS

Letters are missing below! Use this resource to check on your child's letter and sound recognition. Have your child use the pictures as clues to identify each word. Once they identify the word, have them sound it out. When your child identifies the missing letter, let them write it in.
