Today, we'll be reading chapters 10 through 14. Our new discussion questions for this week are listed below:

- 1** At the beginning of chapter 10, Harry and Alex are alone in the fog. Describe what you think being in the fog is like.

- 2** When the campers are setting up their tents, Harry sees something happen to Sam, but Sam says that nothing happened. Do you think that Harry is imagining things? Why or why not?

CHAPTERS 10-14

DISCUSSION QUESTIONS

- 3** How do you think that Harry and Alex are feeling after seeing all the “jokes” played by their fellow campers?

- 4** At the end of chapter 14, the campers are playing soccer, and the girls’ goalie gets hit with the ball. We’ll find out what happens to her next week, but in the meantime, make a prediction of your own.
