

ACTIVITY

IF YOU GIVE A CAT A CUPCAKE

CAUSE AND EFFECT

This week's activity helps students strengthen their story element retention while working on cause and effect. This pack includes a copy of one of Laurie's examples of cause and effect for students to reference along with an easy cause-effect practice sheet for students to practice writing/expressing causes and effects based on the given cause or effect. Also, provided are picture cards with illustrations from the book help students practice sequencing and retelling the story. These visual cards will also come in handy for the cause-effect cupcake matching game.
