## LET THE CHILDREN MARCH

# STAND UP! SHOUT OUT!

Time to make your own sign to message to your community what you believe in. What words of change do you want your community to see and hear? What would you want written on a sign during this same march? If you went to a protest or march today, what would you want your sign to say? Use the space below or another large size poster to create your sign. Be sure to make the letters big and dark so the world can see your message.

**STAND UP! SHOUT OUT!**

A large, empty rectangular box with a thin orange border, occupying the majority of the page below the title. It is intended for a drawing or response related to the 'Stand Up! Shout Out!' theme.
