PROGRAM

THREE LITTLE PIGS

WEEK

PUT THE PIGGIES IN THEIR HOUSE

Directions:

Match the pig from the story to the type of house they built with the different materials. Draw a line from the pig to the correct house. Look back at the video to check your answers.

HOUSES IN MY NEIGHBORHOOD

Directions:

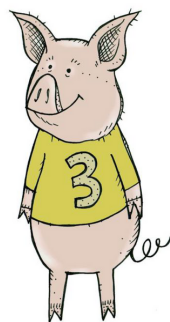

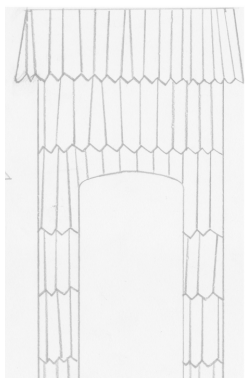

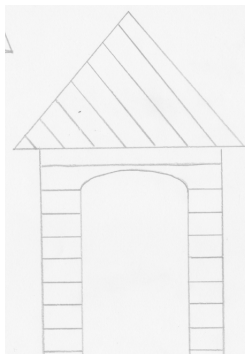

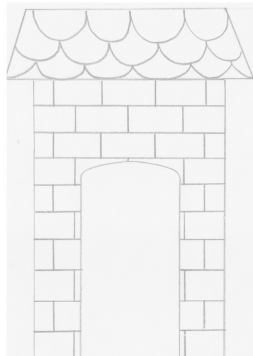

Color each house to match the type of material used in the story.

Then, take a walk around your neighborhood, noticing what all the houses are made of.

Draw 3 types of homes you see on your walk around your community in the spaces below.
